- "A school is a place where children go to learn. Teachers help students understand different subjects like math, science and language. Schools, also teach good manners and discipline. Children make friends and play together. They learn new things everyday. Education helps them become better people in the future. A good education is important for success in life. Hard work and honesty also help in achieving goals. Students should study well and respect their teachers and parents."
11. Read the passage carefully and answer the questions that follow- 15
- Laws help maintain peace and order in society. They tell people what is right and wrong and protect everyone's rights. Without laws, there would be confusion, and people might not feel safe.
- Judges and Lawyers work to ensure that laws are followed. A judge listens to both sides of a case and makes a fair decision. Lawyers help people understand their rights and speak for them in court. In a democratic country, every person has the right to seek justice. If someone is treated unfairly or faces a legal problem, they can approach the courts for help. Lawyers assist people by representing them in court and providing legal advice. A fair legal system protects the rights of all citizens and ensures that no one is above the law.
- Everyone must follow the law, whether they are rich or poor. A fair legal system treats all people equally and helps solve problems peacefully.
1. Why are laws important in society?
 2. Who listens to both sides of a case and makes a decision?
 3. How do lawyers help people?
 4. Why should everyone follow the law?
 5. Find a word in the passage that means 'to make sure' and opposite of 'duties'.
12. Make a Precis of the following passage and give it a suitable title. 15
- Physical exercise is essential for maintaining good health. Regular exercise helps to strengthen muscles, reduce the risk of chronic diseases like diabetes and heart disease, and improve mental health. Exercise can also help to promote weight loss and increase energy levels. However, it is important to approach exercise in a safe and responsible manner, with proper warm - ups and cool downs, and to consult a health care provider before beginning a new exercise program.
